SPRING GOODS

With character. Do you know why it is that this store is growing so fast? A great many things have to do with this, but—the service here is prompt and pleasing—it is easy to buy and just as easy not to buy if you do not find what suits you. There is no urging here to buy what you do not want. Then the dependability of **McCLURE GOODS**—you could not buy anything here lacking in quality if you wanted to—such goods do not have a place in our stock. And then that indefinable something we call **STYLE**—McClure Goods have a different tone from the ordinary kind—they possess the little things required to give character. Spring stocks are all ready.

QUEEN QUALITY SHOES

Queen Quality Shoes and Oxfords, by their fit and style, have won the reputation of being unequalled at their price. All the new Spring Styles are now here, including light soles and welt soles in Vici Kid, Ideal Kid and Russia Calf Leathers.

R. K. McCLURE & SON

212-214 ST. CLAIR ST., FRANKFORT, KY

CLOSE CALL.

Two young men became involved in a difficulty, in Danville, on Tuesday, when Ernest Boner pulled his gun and shot Carl (Doggie) Norman, son of Maj. L. C. Norman, of this city, squarely in the breast. The shot was from a .38 caliber gun, and passed through the double breast of Norman's overcoat and a heavy undercoat, shirt and under-shirt, and bruised the skin over the heart. As Boner was about to fire the second shot his hand was seized and he disarmed.

But for the heavy clothing young Norman wore he would have been instantly killed.

The row started in a friendly scuffle, which finally provoked the fray.

Moral—If Boner had not had a gun (illegal) there would have been no danger.

SLIGHT BLAZE SATURDAY AFTERNOON.

Shortly after 3 o'clock, on Saturday afternoon, an alarm called the fire boys to the Institute for Feeble-Minded Children, on East Main street, where an inmate had started a fire in a bookcase.

The blaze was soon extinguished with the loss of the book-case, the books it contained and the floor of the chapel slightly burned, amounting to about \$250. But for the timely discovery of the blaze it would have proved a serious one.

Dr. Hill, assisted by Miss Mary Brown Davall, one of the teachers, quieted the frantic children by calling upon them to go through with some of the calisthenic exercises, and then marched them out of all danger.

ELECTED ROAD SUPERVISORS.

Mr. John Suter, of the Forks of Elkhorn, and Mr. George Herndon, of Bridgeport, were elected Road Supervisors of the county by the fiscal court on Wednesday. Their salaries were fixed at \$500 per annum.

BUCKLEN'S ARNICA SALVE

Has world-wide fame for marvelous cures. It surpasses any other salve, lotion, ointment or balm for Cuts, Corns, Burns, Boils, Sores, Felsos, Ulcers, Tetter, Salt Rheum, Fever Sores, Chapped Hands, Skin Eruptions, Infallible for Piles. Cure guaranteed. Only 25 cents at all druggists.

PROMINENT MASON AND GALLANT SOLDIER DEAD.

Col. Thos. J. Smith, commander of the Third Regiment, Kentucky National Guard, and Deputy Grand Commander of Knights Templar, of Kentucky, died at his home in Bowling Green on Monday, after a long illness.

Col. Smith was a splendid specimen of Kentucky manhood, brave and tender and a Knight in whom there was no guile. Had he lived until the annual meeting of the Grand Commandery in this city, May 18-19, he would have succeeded the proprietor of this paper's Grand Commander.

The funeral services were conducted in Bowling Green on Tuesday afternoon and the honors of Masonry and the military were rendered.

He lived admired and honored and died lamented.

A household necessity—Dr. Thomas' Electric Oil. Heals burns, cuts, wounds of any sort cures sore throat, croup, catarrh, asthma; never fails.

APPOINTED.

Mr. E. G. Parrish, of Richmond, has been appointed Superintendent of the Cedar Run Distillery (J. & J. M. Saffell), of the Ky. Distilleries and Warehouse Co., vice B. G. Graham transferred to the Cedar Brook, in Anderson county. He has entered upon his duties. Mr. Parrish is a clever gentleman.

"DO IT TO-DAY."

The time-worn injunction, "Never put off 'till to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boecher's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists. 1 yr.

A LAMENTABLE BLUNDER.

We regret exceedingly to see that the Governor has vetoed the bill appropriating \$25,000 for necessary improvements at the State College, at Lexington. This is a pitiable and lamentable blunder.

That college is so cramped in its quarters for shop instruction for the students taking the mechanical engineering course that it is impossible to give them proper instruction, and some classes are excused from their work until other classes can complete theirs, creating great inconvenience and delay.

The amount asked for by the curators of the college was \$75,000, which would have put the college in good shape in all departments.

The first blunder made was by the legislature in cutting down the amount to \$25,000 (when they had appropriated the same day, \$25,000 for a monument, that could do no good; and the second, and more serious blunder, is to veto the bill giving even the small amount of \$25,000.

Alas! that Kentucky should be governed by partisanship, as against the enlightened statesmanship of the past, that carefully fostered educational institutions and let politics wag along and take care of itself.

TRIO OF LUNATIC CONVICTS.

Three insane convicts in the local penitentiary were on trial, on Tuesday, before Judge J. H. Polsgrove. They were given separate trials, under writs de lunatico inquiring, and adjudged of unsound mind. They were: J. L. Evans, white; 28 years of age; sent from Pulaski county, for forgery; 5 years sentence.

Allie Cooke, colored; 26 years old; sent from Jefferson county, for burglary.

Sam Harris, colored; 20 years old; sent from Boyle county, for horse stealing.

They were sent to jail to await action of the Governor, after which they were taken to the Eastern Lunatic Asylum, at Lexington.

CLIPPINGS.

Dr. J. A. Lewis is confined to his room and at times suffers considerably, from a blood-poisoned finger. He performed an operation on a patient, while there was a small scratch on his finger, and the trouble was communicated through this source. —Georgetown Times.

A dispatch from Atlanta, Ga., says that Rev. Henry McDonald, D. D., was stricken with paralysis at his home in that city Monday, and his life is despaired of. He is aged 70 years. For a number of years he was pastor of the Georgetown Baptist church, and later of the Shelbyville Baptist Church. He was an Irishman by birth and one of the most eloquent and, at the same time, one of the gentlest men we ever knew.

Later—Dr. McDonald died on Wednesday.

ADJOURNED.

The Court of Appeals adjourned the January term on Friday. It will meet again for the April term on Monday, April 11th. A large amount of business was disposed of.

APPOINTED.

Mr. Henry B. Ware of this city, who lost out of the Auditor's office under the new deal, has been appointed Secretary of the Capitol Commission at a salary of \$1,200. Mr. Ware is a clever fellow and good clerk.

FEARFUL ODDS AGAINST HIM.

Bedridden, alone and destitute. Such in brief was the condition of an old soldier by name of J. J. Havens, Versailles, O. For years he was troubled with Kidney disease and neither doctors nor medicines gave him relief. At length he tried Electro-Bitters. It put him on his feet in short order and now he testifies: "I'm on the road to complete recovery." Best on earth for Liver and Kidney troubles and all forms of Stomach and Bowel Complaints. Only 50c. Guaranteed by Dr. J. C. Havens.

SHOOTS A PRISONER.

A prisoner in the local penitentiary by the name of Frank Cooper, sent up from Lexington, became unruly, on Monday morning, and attempted an assault upon Mr. Lewis L. Cox, one of the guards, with a club. Mr. Cox was forced to shoot the man through the arm, and thus cowed him. The wound is not serious. Mr. Cox acted in self defense and in the discharge of his duty.

An overcoat is a necessary nu-
sance and the tendency to take it off
on warmish days in late autumn
and winter is as strong as it is un-

you have lumbago. Rub well and

..DEATHS..

DANDRIDGE—In this city, on
Monday night, Fitzhugh Dandridge,
son of Capt. W. F. Dandridge and
wife, aged 8 years.

This is one of the saddest events
it has been our province to chronicle
for a long time.
The little lad was a bright and
manly little fellow, the idol of his
parents and a general favorite with
all who knew him. He had been in
poor health for some time. Every-
thing that the most skilled physi-
cians could devise was done for his
benefit and no expense or labor
spared, but in vain.

The afflicted parents have the
warmest sympathy of a large circle
of friends and acquaintances in
their deep sorrow.

GREEN—At her home, on Wilk-
inson street, on Wednesday, Mrs.
Susan Green, aged 59 years.
Mrs. Green was an estimable
lady. She was the mother of Mrs.
W. S. Rossen, of this city and Mrs.
Adair, of Louisville.

MERCHANT—In Dearborn,
Piaut county, Mo., on Friday,
March 11th, Mr. John L. Merchant,
aged 79 years, 2 months and 27 days.
Mr. Merchant was the oldest son
brother of Capt. Caleb W. Merch-
ant, of this city. He was born in
Woolford county, Ky. He married
a Kentucky girl, and moved to
Missouri long years ago. He was a
prominent and influential citizen,
highly respected for his integrity
and uprightness of character.

ROBERTS—In this city, on Sat-
urday, the twin infant son of Mr.
W. A. Roberts.

**Spring Opening Wednesday and
Thursday, March 23-24.**

GOOD SPIRITS.

Good spirits don't all come from
Kentucky. Their main source is
the liver—and all the fine spirits
ever made in the Blue Grass State
could not remedy a bad liver or the
hundred-and-one ill effects it pro-
duces. You can't have good spirits
and a bad liver at the same time.
Your liver must be in fine condi-
tion if you would feel buoyant,
happy and hopeful, bright of eye,
light of step, vigorous and success-
ful in your pursuits. You can put
your liver in fine condition by using
Green's August Flower—the great-
est of all medicines for the liver
and stomach and a certain cure for
dyspepsia or indigestion. It has
been a favorite household remedy
for over thirty-five years. August
Flower will make your liver healthy
and active and thus insure you a
liberal supply of "good spirits."

GEO. A. LEWIS, Prop'r and Pub.

FRANKFORT, MARCH 26, 1903

GREAT TIME IN THE OLD TOWN.

WHEN THE KNIGHTS TEMP-LAR COME.

The third week in May will be a gala week in Frankfort. All of the Commanderies of the order of Knights Templar in this section of the State are coming in force and the street parade, on the 18th, will be a magnificent display. About five hundred plumed Knights will be in line, with seven or eight bands of music, and there will be one continual round of entertainments during their stay.

Louisville Commandery, No. 1, will come one hundred or more strong, bringing a band and its magnificent drill corps, which will contest for the prize to be awarded at San Francisco, Cal., to the best drilled Commandery during the Triennial Conclave in September. The drill corps will give an exhibition drill on the afternoon of the first day, and the Commandery will entertain on the second day, with a lawn fete.

Webb Commandery, No. 2, of Lexington, will be well represented, having at least twenty-five Knights in line with a band.

Versailles Commandery, No. 3, will be here in full force, fifty or sixty swords strong, will have their headquarters in Music Hall, on St. Clair street, where they will give a reception and dance.

Covington Commandery, No. 7, has not taken action as to whether they will come in force, but will do so at their next meeting, and it is safe to say will show up thirty-five or forty strong, with the old reliable "Smithy" swinging his baton at the head of the band.

Bradford, No. 9, our old neighbor, at Georgetown, is weak in numbers, but will send down a good delegation to swell the ranks of some of the larger Commanderies.

Mayville Commandery, No. 10, will have a greater number of swords in line than at any annual convocation in years; will bring their own band and entertain at their headquarters at the Capital Hotel, on the afternoon of the first day.

De Molay, No. 12, of Louisville, usually shows up strong, but this year will not come as a body, though their membership of 500 will be largely represented.

Henderson, No. 14, has engaged quarters for thirty Knights and ladies, and will give a reception at their headquarters, on Tuesday evening, May 18th.

Owensboro, No. 15, has quarters at the Capital Hotel for thirty Knights and ladies; will show up well in the parade and entertain at some time, to be fixed later, in their headquarters.

Cynthiana, No. 16, will come on a special train, with a fine band, and will be accompanied by a number of ladies. This body of valiant Knights can always be relied upon to get there in great shape.

Ryan, No. 17, of Danville, will be here in goodly numbers, with Past Commander Will G. Dandap, a former Frankfort boy, in the bunch.

Richmond, No. 19, who will have the best Grand Commander in the person of Eminent Sir Robert B. Burnham, the present Grand Generalissimo, will come some forty or fifty strong, bring their own band and entertain at their headquarters.

Marion, No. 24, of Lebanon, is sure to be on hand in force, escorting the Grand Junior Warden, Eminent Sir W. R. Johnson, and will bring a band. This is one of the most enthusiastic and zealous bodies of Knights in the State, and

Thirty Days Was My Life's Limit.

Agony From Inherited Heart Disease.

Dr. Miles' Heart Cure Cured Me.

One person in every four has a weak heart. Unless promptly treated a weak heart will easily become a diseased heart. A little extra strain from any cause is sufficient to bring on this deadly malady, the most common cause of sudden death. Dr. Miles' Heart Cure will tone up the heart's action, enrich the blood and improve the circulation.

"My trouble began with catarrh and I have always supposed it caused the trouble I have experienced with my heart. I had the usual symptoms of nervousness, lost appetite, constipation, palpitation of the heart, shortness of breath and pain around the heart and under left arm. My mother suffered in the same way and I suppose mine was an inherited tendency. At this time I was in agony, suffered so severely and became so weak that my doctors said I could not live thirty days. At this time I had not slept over two hours a night on account of nervousness. The least exercise, such as walking about would bring on palpitation and fluttering of the heart so severe that I would have to give up everything and rest. Nerve and Liver Pills cured me of constipation and heart symptoms disappeared under the influence of Dr. Miles' Heart Cure. I am in better health than I have been in twelve years and I thank Dr. Miles' Remedy for it. I think they are the grandest remedies on earth and I am constantly recommending them to my friends."—Mrs. L. J. CASTRELL, Waukegan, Ill.

will make a splendid showing in the parade, notwithstanding the fact that they will go in a body to San Francisco, in September.

Cour DeLeon, No. 26, of Paris, is hard at work organizing a strong force to come down and capture the next annual convocation, and will bring a band, perhaps coming on a special train.

All of the other Commanderies will be well represented and, while they may not march as independent bodies, will fall in with some other Commandery.

Last, but not least, comes Frankfort, No. 4. She will head the procession with Frankfort Cornet Band, reinforced by a number of first-class musicians from Cincinnati, who have been engaged to play forty-eight hours out of twenty-four. She will keep open house night and day, at headquarters in the Y. M. C. A. rooms, in Masonic Temple, and will close the festivities with a hop at the Capital Hotel on the evening of May 19th.

The route of procession will be announced in a few days, along which it is hoped every house will be decorated, as this will be a great time for the Capital of Kentucky, now and forever more.

Y. M. C. A. EXECUTIVE COMMITTEE.

The State Executive Committee of the Kentucky Young Men's Christian Associations held its annual meeting on Thursday evening, March 17th, at Restaurant Vatel, in the city of Louisville. After the annual dinner, the committee took up the business of the evening.

After twenty-five years of faithful service as chairman, Mr. Jas. Edw. Hardy was unanimously re-elected. Mr. John L. Wheat, vice chairman, Mr. Geo. L. Burton, recording secretary and Mr. Val. P. Collins, treasurer, were re-elected by unanimous vote.

The following secretaries were elected for the ensuing year: 1. Henry E. Rosevear, State Secretary.

F. J. Mjehel, City and Railroad Department.

O. B. VanHorn, Religious and Educational Work Department.

E. D. Lucas, Student Department.

P. C. Dix, County Work Department.

B. W. Godfrey, County Work Department.

The budget for the year will entail an expenditure of \$12,500 for the promotion and extension of this work throughout the State. Plans and policies for the promotion of all departments were adopted, and a great work is expected this year.

DEATH OF REV. JAS. S. COLEMAN, D. D., A DISTINGUISHED BAPTIST MINISTER.

Rev. Jas. S. Coleman, one of the ablest and most widely known Baptist ministers in Kentucky, died at his home in Beaver Dam, Ohio county, on Tuesday last, aged about 80 years.

Dr. Coleman had been pastor of several churches in the region where he had spent his whole life, for fifty years, a record excelled by none and equaled by few in these days of change and unrest.

He was an able, earnest and consecrated man—jealous of the honor of the Master he served, and zealous in every good word and work. We have known and admired this venerable and beloved man for 48 years, and know that his record in winning souls for Christ is one that should be a source of humble pride and gratitude to the large family of children left behind.

One of his sons was principal of the High School in this city for a number of years—Prof. J. Dudley Coleman—who resigned his position to enter the 4th Kentucky Volunteers during the Cuban war. Prof. Coleman was a staunch and devoted Christian, and an earnest worker in the First Baptist Church, of this city, now residing in Louisville, where he is a member of a big wholesale firm of jeans clothing manufacturers, his brothers being the other members of the firm. We tender to the bereft family our earnest condolence in their bereavement, which, to the departed, is a glorious entrance upon the reward of a life well-spent in the Master's cause.

WEEDS

Consumption is a human weed flourishing best in weak lungs. Like other weeds it's easily destroyed while young; when old, sometimes impossible.

Strengthen the lungs as you would weak land and the weeds will disappear.

The best lung fertilizer is Scott's Emulsion. Salt pork is good too, but it is very hard to digest.

The time to treat consumption is when you begin trying to hide it from yourself. Others see it, you won't.

Don't wait until you can't deceive yourself any longer. Begin with the first thought to take Scott's Emulsion. If it isn't really consumption so much the better; you will soon forget it and be better for the treatment. If it is consumption you can't expect to be cured at once, but if you will begin in time and will be rigidly regular in your treatment you will win.

Scott's Emulsion, fresh air, rest all you can, eat all you can, that's the treatment and that's the best treatment.

We will send you a little of the Emulsion free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

Mr. Geo. E. Wilkerson has accepted the position of bookkeeper at Robinson Bros. coal and lumber yard.

Mr. Carlton Thomason, who has been bookkeeper for Stone Bros., at their mill, and who expected to go to Greenville, Tenn., with Mr. J. C. B. Stone, was taken suddenly with hemorrhages of the lungs and had to be carried to his home in Frankfort.

Like marvelous cures of Consumption, Pneumonia, Bronchitis, Coughs, Colds and Grip prove its matchless merit for all throat and lung troubles. Guaranteed bottles 50c and \$1.00. Trial bottles free at all druggists.

HEAVY DOWN POUR.

On Tuesday afternoon we had one of the heaviest rain and thunder storms of the season. The lightning was very vivid and incessant, and the rain came down in sheets. The sewers on the lower part of Washington street, at the intersection of Clinton, became clogged and the water backed up until it formed a lake from curb to curb, a foot deep.

Benson creek ran out like a mill-tail, the water, three feet high, running entirely across the river and throwing the debris upon the sand bar at the foot of Clinton street.

There were two or three tremendous showers, which filled all the small streams to overflowing and inflicting considerable damage to farmers and gardeners.

IMPROVING HIS NEW HOME.

Admiral Chapman C. Todd is having some handsome improvements made to the old Todd home, corner of Wapping and Washington streets. He will make his home there as soon as the family of Mr. Jno. H. Stuart move out, which will be about April 1st.

This distillery is one of the most valuable properties of the combine and the assigning of these gentlemen to the charge of this house is a promotion.

KENTUCKY WORLD FAIR NOTES.

It has been decided to receive for the Kentucky Building copies of the compositions of Kentucky musicians. These will be included in the Kentucky library.

To show that the Kentuckian has a literary bent of mind, it is only necessary to say that over 2,000 books have been written by citizens of the State. The Kentucky Commission is making every endeavor to get one copy of each of these books for the Kentucky library at the exposition. It is comparatively easy to get the works of living authors, but not such an easy matter to find the works of deceased authors. The Commission will thankfully receive any information that will help make complete this collection of books in the Kentucky Building.

Kentucky artists are taking great interest in the Fine Arts Exhibit for the Kentucky Building at the Exposition. Already a large number of pictures have been received at the Haldeman Warehouse, in Louisville, for this exhibit and scores of others have been promised. According to the rules of the Art Department, only originals may be shown. This, of course, excludes all copies, and Mr. J. M. Eddy, the superintendent of the Fine Arts Display, is hoping to include in the collection a large number of the works of artists and sculptors who lived in Kentucky many years ago. It is certain that there will be a number of Jouett, Pious, Frazers, etc.

CANCER CURED!!

Mr. W. W. Pickett, Smithfield, Ill., writes, Sept. 10th, 1903: "I had been suffering several years with a cancer on my face, which gave me great annoyance and unbearable itching. I was using Eidlard's Snow Liniment for a sore leg, and through an accident I rubbed some of the liniment on the cancer, and as it gave me almost instant relief, I decided to continue to use the liniment on the cancer. In a short time the cancer came out, my face healed up and there is not the slightest scar left. I have implicit faith in the merits of this preparation, and it can not be too highly recommended." 25c, 50c and \$1.00. For sale by Paul B. Weitzel.

Articles in This Week's Issue of the *Kentucky Farmer and Breeder*—Subscribe Now.

Among the articles of particular interest in this week's Farm and Breeder is a complete list of all the two-year-old thoroughbreds registered with the Jockey Club. This list is arranged alphabetically under the names of the dams, so that every breeder can find at once the name that has been given to the colt which he sold unnamed as a yearling.

Mr. Fred N. Forsythe, of Harrodsburg, has a most valuable article on the breeding of cattle, in which he makes suggestion of the very greatest value to the owners of every sort of live stock, and urges with great force the wisdom of keeping each breed distinct and points out the criminal folly of Kentucky's tax law regarding animals standing for service.

Mr. C. E. Marvin, of Payne's Depot, has an article on the formation of a cattle association, to include all who breed from blooded cattle, and on the necessity for unrelenting war on the scrub, that should be read by every man who is interested in the breeding of pure-blooded cattle.

The paper, in fact, is full of special articles of particular value and of news and editorials that make it worthy of both careful study and preservation by all who are interested in the live stock interest. It can be obtained in connection with the Roundabout until March 27 for \$1.00 and every one should avail themselves of this opportunity to subscribe for it and not miss a single issue.

MARRIED.

BREWER-SPOON—In this city, on Tuesday, Mr. Elmer Brewer and Miss Nora Spoon, were married by Rev. L. D. Stacker.

POLSGROVE-McDANIEL—In this city, at the residence of the officiating minister, on Tuesday, Mr. Winford O. Polsgrove and Miss Frances McDaniell were married by Rev. M. B. Adams, of the First Baptist church.

Mr. Polsgrove is an efficient clerk for the Kentucky Distilleries and Warehouse Co., a son of Mr. O. B. Polsgrove. His bride is a well known and beloved young lady of the West Side.

GARRETT-McCLURE—In this city, on Saturday, Dr. Nevill M. Garrett and Miss Julia Black McClure were married by Rev. M. B. Adams, of the First Baptist Church.

Dr. Garrett is one of the most skillful and prominent young physicians in Kentucky. He served as an army surgeon in the Cuban war, in the 4th Kentucky Volunteers, and was afterwards appointed a contract surgeon, and served in the Philippines for some three years. He is the only son of Mrs. Ada Garrett, and a grandson of the late honored and lamented Mr. E. Whitesides. He is a first-class gentleman and has won a large practice since locating here after his army service.

His bride is the oldest child of the late Mr. Jno. W. and Mrs. Helen H. McClure. She is a handsome, intelligent and accomplished young lady, and has been a teacher in our city schools since 1888, where she has made a fine reputation. She is a worthy helpmeet for her talented husband.

While it was generally known that these young people were to marry, the wedding at this time came as a surprise. Only the immediate families were present.

We tender hearty congratulations.

MARR-MOSER—In this county, on Sunday, Mr. Joseph Marr and Miss Fannie Moser were married.

DUVALL-MANFORD—In this county, on Tuesday, Mr. Cyrus T. Duvall and Miss Estelle G. Manford were married.

At last our young friend has concluded to trot in double harness.

Many girls will now be left lonesome, as Cy. was a general bean so long. Here's luck old boy. May you be as happy as you deserve.

JOHNSON-ROBERTS—In this city, on Thursday, Mr. John D. Johnson and Miss Mary Roberts, both of Shelby county, were married by Judge J. H. Polsgrove.

VANMETER-HARDIN—A nouncement is made of the approaching marriage of Mr. Solomon Vanmeter, of Fayette county, and Miss Pauline Helm Hardin, State Librarian. The wedding will take place at the home of the bride's mother, Mrs. M. R. Hardin, in Hodgenville, April 7th.

RAZOR-GILES—In this city, March 23, Mr. Roland Razor and Miss Roberta Giles were married by Esq. G. B. Thomson, at his office. There were number of their friends present to witness the ceremony.

BIRTHDAYS.

Do you wonder where our birthday's go?
Do they live in the aftermath and glow

Of far away seas where islands lie
Like clouds on the breast of the summer's sky.

Or 'mid the cool shadows of fairy bowers,
They fall asleep these days of ours.

Do you wonder why our days' take wings,
Flying away like a bird that sings—
It's sweetest song ere the hunter's aim—
Is made too sure and the singer slain?

Why we build our hopes, then watch them fade
With a smile on our lips, while the graves are made?

Do you wonder why each life at best,
Is a pleasureable pain and a sweet rest;

Why the sorrows and cares that en-compass about us
Live in memories casket and never get out?

'Tis for this—that life here is a short winter day,
And life yonder as bright as a morning in May.

So we watch to-day at our birth, day's sun,
With never a smile that the day is done;

May it come again and again be ours,
As fresh and as sweet as the old time flowers.

In the garden of life 'tis these pure crown bells
That tell all birthdays—the immortelles.

HAPPY, HEALTHY CHILDREN.

Any child can take Little Early Risers with perfect safety. They are harmless, never gripe or sicken, and yet they are so certain in results that robust constitutions requiring drastic means are never disappointed. They can not fail to perform their mission and every one who uses DeWitt's Early Risers prefer them to all other pills. They cure biliousness. Sold by J. W. Gayle.

CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those that use German Syrup. Trial bottle, 15c; regular size, 75c. At all druggists.

Distress After Eating

want of appetite, flatulency, belching, shooting pains, are some of the most misery-causing symptoms of dyspepsia and indigestion.

WALTHER'S PEPTONIZED PORT

Rev. H. Winthrop, of Winsted, N. C., says:

"I desire to express to you my thanks for your wonderful Peptonized Port. I was troubled with dyspepsia for five years previous to commencing to use your Port some six months ago. My cure has been wonderful. I am pastor of the First Methodist Church of this place, and my congregation can testify to the great virtues of your preparation. BRYANT TOWN.

Moving is all the go.

Mr. Jethro Sadduth has moved to his new residence near here.

Miss Cora Sadduth is quite ill at this time with nervous trouble. The doctor says that her nerves have all given away. He thinks he can build her up if he can keep her quiet. If the country, who make a business of fox hunting, would hold up for a while she might get well. Anything that would give a young lady comfort should be appreciated by young men. Therefore, hold back your hounds, say I, for once, and you will feel much better by it. How would you feel if she was to die when you were hunting? I should think you never would get over it. I would hate to be the cause of any one suffering so much, when it is only for pleasure to us, and while some one is suffering death. Could you sleep while you are well with a pack of dogs barking around your house? I hope you will stop and consider how bad it is, and cease your hunting for a little while and see how she improves.

Mr. Clebor Vaughan, of Olive Hill, has been visiting friends and relatives here. He left for home Monday.

Misses Onay and Mirtle Mitchell spent Sunday last with Miss Gertrude Vaughan.

Mr. Duart Bryant and family spent last Sunday with his sister, Mrs. Archie Moore.

Mr. Ben T. Hulet called on Miss Onay Mitchell Sunday night.

Mr. Jim Roberts has purchased a phonograph. Look out, boys, or he will beat our time for he now has two tongues to our one, for the phonograph can talk, remember.

I would like for some one who knows any person by the name of Lula Mitchell to give their name and address, through the Roundabout, as I want to write personally to the person on business. I will be very glad, and will do anything I can in return for the favor.

Mrs. Mattie Young is on the sick list this week.

Mr. Howard Moore's girl has moved back to her old home. Look out, Jessie, for she lives the closest. He can see her every day when he only sees you on Sunday.

Mrs. Mary E. Moore has moved to her old home and will be at home to all her friends.

Last Thursday afternoon, between 6 and 7 o'clock, Mr. Josh Smith's house burned down. They did not save anything. It was about burst when his son reached home. We extend our sympathy to them and expect to help them all we can.

Mr. Jim Roberts took his phonograph for his girl to hear, last Wednesday night.

What has become of all the correspondents? I like the one who wrote from Beer Garden. Write again. One who wrote from just fine. It could not be beat by any one.

GUESS WHO.

ARRESTED!

Officer Wingate Thompson Caught an Intimidator Just in Time.

It is important to make an arrest, if possible, before a crime is committed. A Frankfort policeman who arrested backache and other kidney troubles before it was too late, tells how to make the arrest.

Wingate Thompson, police officer, of 29 Murray street, says: "Ordinary backache is sufficient to torment the average mortal, but when there is added to it trouble with the kidney secretions, which embarrasses you during the day and breaks your sleep at night, it is no wonder the sufferer is miserable and welcomes the means he employs to get relief. It is hard enough for anyone to endure all such suffering and misery, but for one as heavy as myself it comes doubly hard. I was not until I learned about Doan's Kidney Pills that I found a remedy that would do just what was claimed for it. I procured a box of the pills at J. W. Gayle's drug store and its use corrected the kidney secretions, relieved the dreadful aching in my back and helped me in every way. There is no need to have any doubt about Doan's Kidney Pills. They do exactly as represented."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.

COLDS CAUSE PNEUMONIA.

One of the most remarkable cases of a cold, deep seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 145 to 125 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by J. W. Gayle.

WHAT IS LIFE?

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in Constipation, Headache or Liver trouble. Dr. King's New Life Pills quickly re-adjusts this. It's gentle, yet thorough. Only 25c at all druggists.
